Dear John:

Mr. Wellborn and Mr. Ronald Lee, Scoutmaster of Troop 542, were in the office tonight. The troop chairman was unable to be present.

Mr. Wellborn did not admit nor deny the contents of the letter; therefore, he was informed that we had to assume it was true. He gave us his registration card and was told that he is to have no further association with Scouting.

He said he thought he would see Mr. [REDACTED] at their home; however, I doubt if he will.

I told him the only way he could be reinstated would be to have us send a letter from the boy and his father repudiating the statement we have and explaining why it was written.

I consider the case closed.

Sincerely yours,

Sidney K. Richardson

[redacted] do hereby make the following statement which I
on my Scout Oath to be true and accurate. I have made this statement
own free will—

I am a member of Troop 542, (Cleveland), Ohio. During our Troop's two week
trip in July 1965 to Dittmans Farm, I was unable to attend until the first
end. Mr. James W. Wellborn, assistant Scoutmaster picked me up at my home [redacted]

[redacted] and drove me to the camp. When we arrived in camp I was

I would sleep with Mr. Wellborn. When we went to bed, Mr. Wellborn said I

do not unroll my sleeping bag but rather sleep with him. When we got in bed - I was in my
worn and

put his hand down inside and played with my penis. I asked him to stop, but he

did not. I was afraid to leave so he played with me a number of times throughout

night. In the morning nothing was said and, once we both could not stay he drove me

home again. He discussed what happens during an erection and after during the time

was in bed with him. Nothing was said during the trip. I am 13 years old and am

in Troop 542. My dad called Mr. Alton [redacted] after I told him about this.
